

Rally Predict Soft-Launch Promotion

Terms & Conditions

Effective Date: 16 September 2026

Promotion Period: 16 September 2026 – 16 October 2026

These Terms & Conditions (“Terms”) govern the Rally Predict Soft-Launch Promotion (“Promotion”) offered by Rally Predict (“Rally Predict”, “we”, “us”, or “our”).

By registering for Rally Predict during the Promotion Period and participating in the Promotion, you agree to be bound by these Terms, as well as Rally Predict’s applicable Terms of Service, Privacy Policy, Market Rules, and other platform policies.

1. Promotion Period

1.1. The Promotion begins on 16 September 2026 and is currently scheduled to end on 16 October 2026 (“Promotion Period”).

1.2. The Promotion is limited to the first 100 eligible registrations that satisfy all applicable eligibility requirements.

1.3. Rally Predict reserves the right, at its discretion, to extend, shorten, suspend, or terminate the Promotion based on participation levels, operational requirements, compliance considerations, or the results of the soft launch.

1.4. If the Promotion is extended, shortened, suspended, or terminated, Rally Predict will communicate the applicable changes through its platform or other appropriate communication channels.

1.5. Once the Promotion ends, the \$10 registration bonus will no longer be available to new participants unless Rally Predict expressly announces otherwise.

1.6. Bonuses validly credited to eligible participants before the Promotion ends will remain subject to these Terms and any applicable withdrawal requirements.

2. Eligibility

2.1. The Promotion is open to individuals who:

- successfully register for a Rally Predict account during the Promotion Period;
- satisfy Rally Predict’s applicable account verification and eligibility requirements;
- are among the first 100 eligible participants; and
- comply with these Terms and Rally Predict’s applicable platform rules.

2.2. Rally Predict may require a participant to complete identity, account, payment, or other verification procedures before awarding or allowing withdrawal of promotional benefits.

2.3. Rally Predict reserves the right to determine, acting reasonably and in accordance with applicable requirements, whether a participant qualifies for the Promotion.

3. \$10 Registration Bonus

- 3.1. Each eligible participant will receive a \$10 promotional bonus credited to their Rally Predict account.
- 3.2. The promotional bonus is limited to one bonus per eligible participant.
- 3.3. The promotional bonus is intended solely for participation in eligible Rally Predict prediction markets and cannot itself be withdrawn, transferred, exchanged for cash, or otherwise redeemed.
- 3.4. The promotional bonus does not constitute cash deposited by the participant and does not represent a guaranteed return or guaranteed profit.
- 3.5. Promotional bonuses may only be used in accordance with Rally Predict's applicable Market Rules and platform terms.
- 3.6. Rally Predict reserves the right to decline, remove, or reverse a promotional bonus where the participant is found to be ineligible, has breached these Terms, or has engaged in suspected fraudulent or abusive activity.

4. Withdrawal of Profits Generated from the Bonus

- 4.1. Participants may become eligible to withdraw profits generated through qualifying predictions made using the promotional bonus, subject to these Terms.
- 4.2. To become eligible to withdraw such profits, the participant must:
- place at least three (3) qualifying predictions;
 - ensure that all three predictions are settled;
 - ensure that none of the qualifying predictions is cancelled, refunded, or voided;
- and
- satisfy any applicable account verification and withdrawal requirements.
- 4.3. For purposes of this Promotion, only the amount above the original \$10 promotional bonus may be withdrawn.
- 4.4. The original \$10 promotional bonus remains non-withdrawable regardless of the participant's prediction results.
- 4.5. For example, if an eligible participant receives a \$10 promotional bonus and their qualifying predictions result in a total withdrawable balance of \$16, only the applicable \$6 profit above the original \$10 bonus may be withdrawn, subject to these Terms and any applicable withdrawal requirements.
- If you receive a \$10 promotional bonus and subsequently deposit \$20 of your own funds, your total balance becomes \$30.
- If you then generate a \$6 profit through qualifying predictions, your total balance becomes \$36. Because the original \$10 promotional bonus is non-withdrawable, the amount available for withdrawal is \$26, representing your \$20 deposited funds plus the \$6 profit.

Example:

Promotional Bonus: \$10

Your Deposit: \$20

Profit: \$6

Total Balance: \$36

Less Non-Withdrawable Bonus: \$10

Actual Withdrawable Amount: \$26

4.6. Rally Predict may require completion of applicable identity verification, payment verification, or other compliance procedures before processing a withdrawal.

5. Multiple Accounts and Promotional Abuse

5.1. Each individual is permitted to participate in the Promotion once only.

5.2. Participants must not create, operate, or control multiple accounts for the purpose of obtaining more than one promotional bonus or otherwise gaining an unfair advantage under the Promotion.

5.3. Rally Predict may review accounts that appear to be associated with the same or related:

- identity;
- IP address;
- device;
- payment method;
- wallet;
- telephone number;
- email address; or
- other account or technical information.

5.4. The existence of a shared IP address, device, payment method, or other identifier does not automatically establish abuse. Rally Predict may consider relevant circumstances and available information when determining whether accounts are connected or whether promotional abuse has occurred.

5.5. Prohibited conduct includes, without limitation:

- creating duplicate or fraudulent accounts;
- manipulating or attempting to manipulate the Promotion;
- coordinated activity intended to circumvent the Promotion rules;
- providing false or misleading information;
- using another person's identity or account;
- exploiting technical errors or system vulnerabilities;
- engaging in fraudulent transactions; or
- any other conduct that Rally Predict reasonably determines is intended to obtain an unfair promotional advantage.

5.6. Where Rally Predict reasonably suspects promotional abuse, fraud, manipulation, or a breach of these Terms, it may, subject to applicable law:

- withhold or remove the promotional bonus;
- restrict or suspend the relevant account;
- withhold profits generated through the promotional bonus;

- decline a withdrawal request; and/or
- take any other action permitted under Rally Predict's applicable terms and policies.

6. Referral Programme

6.1. Eligible Referrals may earn commissions from clients referred to Rally Predict through their unique referral link or referral code.

6.2. An eligible referee will receive 20% of eligible fees actually received by Rally Predict from qualifying clients referred through the unique referral link.

6.3. Referral bonus will be calculated only on eligible fees actually received by Rally Predict.

6.4. The following amounts are excluded from commission calculations, unless otherwise provided in the applicable Referral Agreement:

- refunded fees;
- cancelled transactions;
- reversed transactions;
- promotional transactions; and
- amounts not actually received by Rally Predict.

7. Promotion Changes and Termination

7.1. Rally Predict reserves the right to modify, suspend, extend, shorten, or terminate the Promotion where reasonably necessary, including for operational, technical, regulatory, legal, security, or compliance reasons.

7.2. Rally Predict will not be responsible for any failure or delay in providing the Promotion resulting from circumstances outside its reasonable control.

7.3. Any modification to these Terms will apply from the effective date communicated by Rally Predict, subject to applicable law and any rights that have already accrued to eligible participants.

8. Risk Disclaimer

8.1. Participation in the Promotion does not guarantee any profit or financial return. Participants may lose funds committed to predictions.

8.2. Prediction-market outcomes are determined in accordance with the applicable Rally Predict Market Rules and the underlying real-world event or outcome.

8.3. Participants should only participate with funds or promotional balances they understand the terms of and should consider their own financial circumstances before participating.

8.4. No guarantee of returns. Past performance, previous prediction results, market activity, displayed odds, or potential payouts should not be interpreted as a guarantee or indication of future results.

8.5. Risk of loss. The value of a participant's position may be reduced or lost depending on the outcome of the relevant prediction market. Participants should not commit funds they cannot afford to lose.

8.6. Independent decision-making. Participants are responsible for making their own decisions regarding participation in any prediction market. Information displayed on Rally Predict, including market information, odds, projections, or other data, is provided for informational purposes and should not be treated as a guarantee of any particular outcome.

8.7. No financial advice. Nothing on the Rally Predict platform or in connection with this Promotion constitutes financial, investment, legal, tax, or other professional advice.

8.8. Responsible participation. Participants should understand the applicable market rules and promotional requirements before participating and should participate responsibly and within their means.

8.9. Regulatory requirements. Participation in the Promotion and use of Rally Predict are subject to applicable laws, regulations, eligibility requirements, and any restrictions that may apply to the participant's jurisdiction.

9. Compliance and Verification

9.1. All participants remain subject to Rally Predict's applicable identity verification, anti-fraud, anti-money-laundering, payment, and other compliance requirements.

9.2. Rally Predict may request additional information or documentation where reasonably necessary to verify a participant, investigate suspected abuse, comply with applicable law, or process a withdrawal.

9.3. Failure to provide required information or complete applicable verification may result in the suspension or removal of promotional benefits or delays in processing withdrawals, subject to applicable law.

10. General Terms

10.1. These Terms should be read together with Rally Predict's general Terms of Service, Privacy Policy, Market Rules, and other applicable platform policies.

10.2. In the event of a conflict between these Promotion Terms and another Rally Predict policy, these Promotion Terms will govern only with respect to the specific Promotion, unless otherwise stated.

10.3. Rally Predict reserves the right to interpret these Terms and determine participant eligibility, subject to applicable law.

10.4. Participation in the Promotion constitutes acceptance of these Terms.

10.5. If any provision of these Terms is found to be invalid or unenforceable, the remaining provisions will continue in full force and effect.

10.6. These Terms are subject to the laws and regulatory requirements applicable to Rally Predict and its participants.
